

D-A FINE

HIGH PERFORMANCE FINE POLISHING FOAM PAD

The D-A FINE foam pad delivers an effective rate of defect removal and capability for high-gloss finishing on most paint systems. Pair with RUPES D-A FINE polishing compound for moderate to fine defect removal, paint refinement, or final finishing after heavy compounding steps.

CUT/GLOSS

TIPS FOR SUCCESS

- Clean pads frequently during use with compressed air, a vacuum, or RUPES Claw Pad Tool to maintain consistent performance
- Do not over-saturate the pad with compound. Too much compound can lead to diminished performance
- Avoid the use of solvent-based compounds and cleaners to prevent damage to the foams cell structure

RECOMMENDED COMPOUNDS

D-A FINE
